

## Two-Toned Wood and Metal Bench

Manufacturer:  
JSI Bespace

Furniture Contact:  
Office Creations

**Why I Love It:** What's not to love! Two-tone color options for maximum style, wood accent for a classy look, very solid and sturdy and easy to clean.

## Single Unit Study Carrels

**Why I Love It:** Always a patron favorite. Lots of color options. Plenty of privacy. We've used this tons of times and everyone loves it.

## Nesting Meeting Room Tables with Modesty Panels

Manufacturer:  
AIS Day-to-Day Table

Furniture Contact:  
Impact Office

**Why I Love It:** Easy to store and easy to fold up and snap into place. Your staff won't have any trouble moving these around. Plus they nest so they're great space savers.

## Stacking Meeting Room Chairs

**Why I Love It:** Stackable and sturdy. Great finish options and exceptionally comfortable.

## Tablet Armchairs with Shelf

Manufacturer:  
ERG Flair

Furniture Contact:  
Impact Office

**Why I Love It:** Easy to move around, handy storage option and they have a beautiful look.

## Computer Tables with Dividers

Manufacturer:  
HON Empower Benching

Furniture Contact:  
Office Creations

**Why I Love It:** Very well-built. Dividers can go on the backs and the sides for maximum privacy. They also come in different height options for use in children's areas as well as adults. Beautiful finishes too!

## Computer Chairs with Flex Back

Manufacturer:  
Sit On it Rio Chair

Furniture Contact:  
Office Creations

**Why I Love It:** The image of this chair does not do it justice. It looks like a simple poly chair, but it's so comfortable. It has a very flexible back and can come with a cushion seat option as well as sled base or caster base. I love the color choices too.

## Wooden Children's Chairs

Manufacturer:  
Leland Little Marquette

Furniture Contact:  
Office Creations

**Why I Love It:** Sweetest children's chairs I've ever seen. You can choose from a large array of laser cutouts for any style or theme. The colors are amazing and you can choose different chair shapes as well. Base options are versatile too. Their wood frames make them super durable.

## Height-Adjustable Children's Tables

Manufacturer:  
HON Build Table

Furniture Contact:  
Impact Office

**Why I Love It:** There are many shape options to choose from and most of them puzzle-piece together to form groupings. Height adjustable and great color options. Very sturdy.
